Re: DTE 01-20 – Response to Record Requests

Dear Bob:

It appears that Verizon has still not responded to a number of record requests issued during the hearings on January 16, 17 and 18. My records indicate that the following record requests from these dates are still outstanding: DTE-VZ12, DTE-VZ13, DTE-VZ14, DTE-VZ18, DTE-VZ19, DTE-VZ21, DTE-VZ23, DTE-VZ25, DTE-VZ29, and DTE-VZ31. Please let me know when Verizon will be serving responses.

Very truly yours,

Laurie S. Gill
